

The Office of Victim Services within the Department of Rehabilitation and Correction is searching for anyone who was victimized prior to July 1, 1996 and whose offender is still in prison. In partnership with the Parole Board, the Office of Victim Services began searching for families not currently registered with their office to determine whether or not they would like to receive notification and/or provide input into to the Parole Board regarding possible parole of the offender(s) in their case.

If you are a crime survivor, please contact the Office of Victim Services at [drc.victim.services@odrc.state.oh.us](mailto:drc.victim.services@odrc.state.oh.us) or visit their website [www.drc.ohio.gov](http://www.drc.ohio.gov) to register for notification. It is also critical that anyone registered update the Office of Victim Services of any address, email or phone number changes as they occur.
